ダーウィنزゲームも、とうとう10巻です。だからという訳でもありませんが、本巻からペンネームを「きんこ」から「深山 秀」に変えました。大昔に意図につけたペンネームをここまで使い続けるとは思わなかったんだ…! みんなも、ペンネームをつけるときは気をつけよう…!

ついに単行本10巻です。FLIPFLOPs史上初の快挙です。今回のカバーイラストは2巻以来のシュカちゃんピンでございます。比べてみると時間の流れを感じたり感じなかったり…。

There's no way it's a coincidence!

It's... It's the exact same as the statue in front of the station!

It couldn't be that we've...

Say...

It's just a coincidence that it looks like it's been weathered for hundreds of years. So to begin with, for what purpose?

Something like that would require a lot of experience.

Or did they make an extremely good copy of it?

...What could this mean?

Did the D-Gene repository purposely make it look like the old one?

Fire!!!
Fire!!!

The guns
and ammo
I supplied
costed a
reasonable
amount of
funds, you
know...

Ugh...
you're
wasting
ammo
shooting
like that.

Kanshiro
-san!

Everyone's
rather
copses,
isn't it?

Oh my...
Magnificent,
magnificent!

Please take a look!

From 5 deer worth 3 iP each, I got 15 iP total!!

That's pretty good, hm...?

If the systems decides you hunted together.

As I thought, I received iP as well. That makes 30 iP in total, for me.

I guess that confirms that whether or not someone's in your clan or just a friend, you can still gain iP.

Yamuchi-san, handling communications is an extremely critical job!

In any matter, knowledge makes the difference between life and death!

How did it go for you, Yamuchi-san? Did you get any Points?

Ph, yes, I got 15 iP as well.

Even though I was only in charge of the communications, I still get the Points, huh...?

I get the feeling there's some kind of trap there.

It seems... too easy.

And if it is equally distributed to everyone, there shouldn't be any disadvantages to having more people participate in a hunt.

That's advantageous for me, but...

We have a friend Chat request from B Team, who is out searching!!

Ah, Kane-hira-san!

It looks like they've found the specified target!!

In any case, my true goal is to eliminate Suda's Kaname-hira.

I'm not particularly concerned about my ranking in the event, but...

Plus, I'm completely defenseless while I'm using it!!

A power like this is completely useless for battle!!

My Third Eye only works 50 metres away, at most!

And I can't visualize vague concepts like a place with water or enemies!

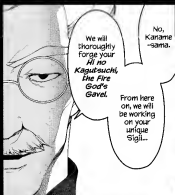

my favourite porn mags I misplaced in my room!

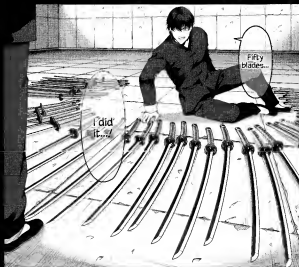

Frankly, it was only useful for finding

Hm...? A little further?

Oh my,
it looks like
Kaname-
sama's
katana was
chipped.

HA
H...!!

HA
H...!!

HM
PH...!!

HA
H...!!

Hm...
It's unfort-
unate,

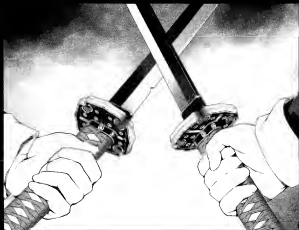

but all of
Kaname-
sama's
katanas
were
destroyed.

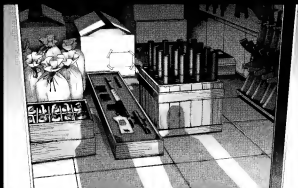

Great
work.

Now then,
let's try it
again,
from the
beginning.

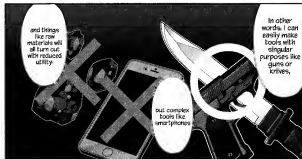

*I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years
if you love my releases please consider donating at KimiCake.com to support our livelihood.
All proceeds go towards offsetting her medical fees. Thank you very much for reading!*

If I had it, I
could shoot a
FAMAS or a
Hécate to my
heart's content...!!

Ahh...
Why didn't
D-Game
give me
that
Sigh!!

I love
French
guns!!

They're
famous
guns from
France,
you know?
Don't you
know?!

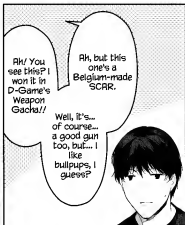

"FAMAS"...?
"Hécate"...?

All of
them!?

But
then I
ended up
blowing
my first
30
Points all
on it.

Oh man...
I was so
moved
when I won
a Glock
on my
first try
in the
Gacha...

Ah! You
see this? I
won it in
D-Game's
Weapon
Gacha!!

Ah, but this
one's a
Belgium-made
SCAR.

Well, it's...
of course...
a good gun
too, but... I
like
bullpups, I
guess?

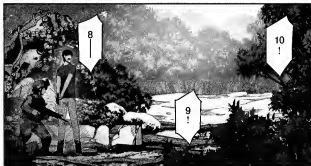

Clan Shelter

A shelter located to the clan's area of control. While generally only available to clan members it can be granted to the public.

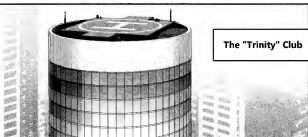

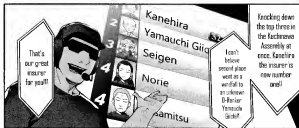

I thought
messengers
wouldn't be
enough for
an important
deal like this,

so I
dropped by
as soon as
I could.

You have to figure out if the 10 participants that freely choose to speculate will live or die!

The other game that we'll have every day is **Deathshot 10** which we're all excited for!

Fufu... wouldn't that mean it'll be a huge success for days...?

It's truly... the most generous event, huh?

Today's targets are these ten elites!!

Master Saigen!!

Kenshin, the insurer!!

Sudou Kaname of the Sunset Ravens!!

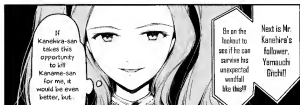

To start with the **Super Player** trio which have stayed on the forefront since yesterday!!

And so!
The deadline
for betting
will be either
when one of
them dies,
or 3 PM!

Well then, do
you think any
of these three
could be
defeated?

If it
happens
there's
no doubt
you'll make
a killing!

If
Kanekira-san
takes this
opportunity
to kill
Kaname-san
for me, it
would be even
better, but...

Be on the
lookout to
see if he can
curse his
unexpected
windfall
like this!

Next is Mr.
Kanekira's
follower,
Yamauchi
Ginchi!

Well,
even if
he fails
to kill
him, I
have
nothing
to lose,
him?

*The
entire
Sunset
Ravens
clan
just
marched
in!!!*

What
did you
say!?

*It's all
of
them!*

The members

How is it
going
Super-
intendant?

If you're
talking about
the Special
Investigation
Team's
headhunting,
they've been
at it for a
while now
without any
problems.

So far, I believe
I am a politician
of the opposition
party and the
president of an
electric company
here, but they
haven't recruited
anything yet.

U-um,
Super-
intendant
Ayanokouji.

ab-
about
me...

Never-
theless,
Detective
Tagonaka.

you
couldn't
manage
any more
than that?

I couldn't
sworn I
invited over

R... a

I don't
see any
problems
for you,
Detective
Sakamoto.

For the time
being, blend
in with your
surround-
ings as best
you can.

Anyway,
let's move
patiently.

Although
they've done
what they
wanted
until now,
I wonder
how it hasn't
become
public...

To think
that
D-Game
would have
so much
say in the
outside
world...

Really
though,
I'm
surprised.

Shuka-
san,
please be
careful.

Consider-
ing what
we've been
through,
this is the
enemy's
base.

Hmph.
For once,
this place's
atmosphere
is passable,
nya~

Just
relax,
Sui.

Our goal
here today
is to help
our Boss.
We probably
won't need
to fight.

*O-okay!
I'll do
my best
to help!*

Bu...
but, I'm
nervous...

And
it's...
all
adults
here...

I've...
never
dressed
up like
this
before,
so...

Quite
the nice
place
you've
got here,
huh?

It's been
a while
hasn't it,
Themis?

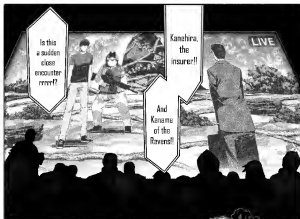

Welcome
to the
Trinity
Club,

members
of the
Sunset
Ravens.

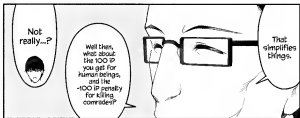

It's not like we're their enemies, though...

Ek...P

Ouji, let's hurry and give them the slip!

It's just a pre-caution.

He's probably used a lot of other scouts.

Chances are... besides the "Wolf's Heart" guy who followed my tracks.

Those guys... reported our whereabouts in such a short time to make contact with us...

And, above all else...

The Insurance Association is Kōrei's one-man club.

It's impossible for there to be any other senior member he could rely on, right?

Is it possible... that as soon as the event started, he formed an organization entirely of possible scouts?

Just
who
the hell
is he!?

He's
even more
mysterious
than
Shimizu-
san!

I couldn't
sense
Kanehira's
presence
at all!

but in
the end,
I suppose
that's
asking for
too much

while
cooperating
with him
until just
before the
end of the
event

I thought
about
getting
Kanehira-
san to completely
relax his guard

Hmm...

Shall I
track
him?

Please.

However,
please
avoid
unnecessary
contact.
I don't
want to
antagonize
him.

It can't be...
Are you
looking to
pick a fight
even though
the Boss
ain't here?

Shuka's
going
with us
to Trinity
too...

Kaname
said that
"while I'm
not here,
the clan's
in Shuka's
hands."

*Plus,
Trinity
was the
one who
picked a
fight
with us
first!*

There's no
way we can
start an
all-out war
without
conclusive
evidence
first.

Beside from
Trinity's
combat ability,
it's a clan
that has deep
connections
to the political
and financial
world, and
they have a
unique status
in society.

Trinity
and the
insurer
being
connected
in secret...
It's
exactly as
Shuka-san
imagined,
right?

He did
say that,
but...

Chances
are they acquired
a winter's
privilege
from
an event,
but—

In D-Game,
there's a rule
that forbids
the release
of D-Game
intel to the public.

but
Trinity is
partially
exempt
from
that rule.

*The
political
and
financial
worlds...!
Are they
such an
amazing
client?*

Well...
in modern
Japan,
there's no
other killing
show you
can safely
watch,
you know.

In Ancient
Rome
they held
shows with
trained
gladiator
slaves.

but in
modern
Japan,
D-Game
players are
the willing
substitutes
for these
warriors.

Trinity's
customers
consist of
not only
D-Game
players

but also a
good number
of ordinary
people who
deserve
letters of
introduction
from Invites
and Trinity
members!

There's a
rumour that
all of the
private VIP
rooms have
influential
parliamentarians
or board
members of
public
companies
who come
in secret!

But since I'm playing D-Game for the fun of it, I refused her.

It was, "why don't you stop being a gladiator slave and be my friend?"

A while back, Trinity of Trinity told me something similar to what Shimming just said!

She's just wily and cowardly, but she really thinks she's clever!

She's the type to plot ways to manipulate people behind their backs.

I know for a fact though, nya~

Shuka-san, were you invited to join Trinity?

Once, pretty long ago...

Though since then, I've been frowned upon by their higher-ups as some rarity hag.

The first is to extract as much intel as possible from Themis, in relation to this hunting game event.

There are three objectives for our mission this time...

By the way, Themis-san...

What is it?

It seems the first step for Raim's mission which was to get everyone into Trinity was a success.

For the time being, we've managed to isolate Themis.

The second is to investigate the relationship between Trinity and the monster... and also whether they bear any hostility towards us.

Lastly, if it seems that they're secretly plotting something, I need to gently threaten them.

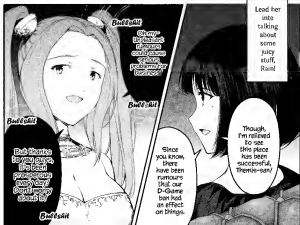

Which means I can't necessarily figure out the truth directly.

I can't tell whether or not they unknowingly believe in something false.

allows me to determine if a person is lying while they speak, but...

My Sigil, the lie detector, or **Bullshit Detector**.

Bullshit!

Stop! My Sigil detector could sense you're just another business!

Bullshit!

Bullshit!

But thanks to you guys, it's been precious everyday! Don't worry about it!

Bullshit!

Lead her into talking about some juicy stuff, Raul!

Since you know, there have been rumours that our D-Game can had an effect on things.

Though, I'm relieved to see this place has been successful, Thanks-san!

Sometimes we'd just like to take a break, at a place like this!

Even people of our caliber have no intentions of antagonizing everybody, too—

I'm glad to hear.

I was a little concerned... about Trinity-run and the Kanetara Insurance Association's management.

Apparently there's a nice rumour going around. Blue's left's worried about Poets, so he came here to gamble.

Well then, afterwards, the only one I'm worried about is Kanetara-san...

Butt! Butt!

Butt! Butt!

Trinity will always be a troubled child!

Butt! Butt!

Remember the little figure of mine as long as they can't bring it back!

Butt! Butt!

Good going, Rain!

Next up, the connection between Trinity and the insurer.

Hey!
What's this
all of a
sudden,
Shuka-
san,??

Please
don't
startle
me like
that...!

Look,
look!
Kaname's
on the
screen
again!

Please
take
your time
having fun,
everyone!

Well
then,
I must
be going
now.

Oh
my...
That's a
relief.

It
seems
your
leader
is still
healthy.

Hey!
Shuka!
What
the hell
are you
doing!!?

The
flow's been
completely
ruined!!

At this
rate, our
mission
will be
a failure.

Say...

And
not the
boring
racing
bets they
do in
Trinity.

Why
don't we
make
a bet,
Themis?

Me and
you,
one on
one.

*How
about
that?*

*It'll be on
whether
Kaname
clears
this event
in first
place
or not.*

*Of
course,
I'll bet
on him
taking
first
place.*

A bet that's so far in my favor is great, but it's not interesting!

He probably wouldn't win, right?

In comparison, he, a B-Ranker, is only taking along that helpless boy.

!?

Well... You're probably too scared to take risks on your own, though.

Ah... So is that your excuse for not being able to take risk?

Since you're talking so big, there's no way it's just points, right?

So what are we betting, anyway?

How about the winner gets the loser as an underling, nya?

That's right, nya~

Wha!?

Even if you're bluffing-

With Kaname ending in first place being the only way to win, our chances are awful, can't you see...!?

Hold on a second, Shuka...!?

You know that's ridiculous, right!?

that
our Boss
will finish
the event
in first
place...

She
believes,
from the
bottom
of her
heart,

She's
serious...
about all
of it...

*So,
are you
going
to
accept
it or
not?*

*Are you a
cowardly
girl who
can't
make
a bet
herself?*

I'd worry
me if you
pretended
it didn't
happen,
afterwards.

But
I'll be
publicizing
that bet
for
everyone
to see.

...Why
not?

I'll
take
that
bet!

*Looks like
there's a
somewhat
intriguing
discussion
going on!*

Now
you're
talking...!

Ayanokouji
of the
Metropolitan
Police
Department!?
What in the
world is he
here for!?

That bet...
Surely
you can
allow me
to have a
part in it
as well,
hm?

505 Darwin's Game

game#39

But...
To think
it's really
true that he
intends on
joining along
with Kikumaru's
victory...

Well
said.

Does this
mean he
doesn't plan
on peeing
us out the
window?

That's... He didn't look like a common idiot, though...

Maybe he was in a rush and dropped the gun.

I can't figure out the details of what they're saying with my Skill, but it looks like they completely fell for it.

...Those guys... picked up the decoy.

Right. Let's get away from them at once.

It looks like they lost your scent.

There isn't anything for Seigen-sama to worry about-

There are currently 232 people hunting, but...

There were 300 people when the event began.

For 68 people to be sent away to Kudakawa-sama by the second day of the event is a little bit too much.

And with the size of this island, sudden confrontations would be fine on you.

According to the rules of the event, there's virtually no point for players to fight amongst themselves.

It's only been 30 hours since the event started. That's not enough time for people to die of hunger or thirst.
